CREATE YOUR GUEST LIST

This easy-to-use form is a thought-starter for listing all those you'll want to invite to your Beauty Hour. Remember, it will be a fun, informative and a very helpful experience. Over-invite. To ensure 5-7 guests, invite at least 15-25, encouraging each to bring a guest.

SET YOUR SIGHTS HIGH

Browse through the catalog and select the fabulous products just right for you, skincare, color cosmetics and body care. Focus on earning ALL the products you want, absolutely free. If one of your guests can't attend, give her a catalog and ask her to place an order.

INVITE YOUR GUESTS

Talk up your Beauty Hour. Let your guests know what a helpful and fun-filled experience they can expect. Ask your guests to bring a friend and they'll receive a free gift.

KEEP UP THE EXCITEMENT

Call and touch base with your guests the day before your Beauty Hour. Explain again how much fun the event is going to be and how much you are looking forward to including them.
